

# PAIRED UP FOR SUCCESS: TAKE YOUR FINANCIAL SERVICES TO THE NEXT LEVEL WITH THE *TAX FACTS* & *FIELD GUIDES* TITLES

Both the *Tax Facts* series and the *Field Guides* offer you accurate, dependable information – a key aspect of financial planning. Now you can make them work even harder for you.

The *Tax Facts* series with our renowned question-and-answer format puts the answers at your fingertips. While the *Field Guides* each contain over 100 sales tools and concepts illustrated and explained. All four books and online versions have been updated with the latest on JGTRRA 2003, Split-Dollar, 401(k), 1035 exchanges and IRA distribution planning.

Combine these powerhouses of financial information to get an unstoppable source for everything from a quick definition to latest RMD ruling.

## **2004 TAX FACTS ON INSURANCE & EMPLOYEE BENEFITS** (formerly Tax Facts 1)

The most accurate and easily accessible information assembled on life and health insurance, employee benefit, business planning and estate planning. Current, comprehensive and quick – the question-and-answer format puts the answers at your fingertips.

## **2004 FIELD GUIDE TO ESTATE PLANNING, BUSINESS PLANNING & EMPLOYEE BENEFITS**

A book you will always carry with you, the *Field Guide to Estate Planning* offers concise treatments of every planning tool you need. With over 100 sales tools and concepts illustrated and explained, the guide also includes easy-to-understand charts and graphs for use with your clients. Plus all answers are cross-referenced with the *Tax Facts on Insurance & Employee Benefits*.

## **2004 TAX FACTS ON INVESTMENTS** (formerly Tax Facts 2)

The ultimate reference for accurate advice and detailed direction on federal income, estate and gift taxation and more. Current, comprehensive and quick – the question-and-answer format puts the answers at your fingertips.

## **FIELD GUIDE TO FINANCIAL PLANNING**

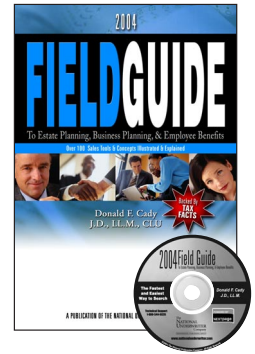

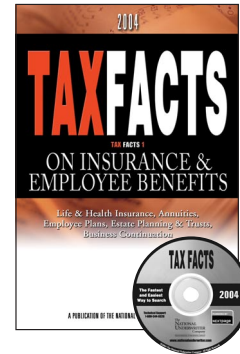

This soon-to-be best-seller is a start-to-finish resource for anyone in the financial services industry. With over 100 sales tools and concepts illustrated and explained, the guide also includes easy-to-understand charts and graphs for use with your client. Plus, each chapter provides a synopsis of the sections covered in the *Tax Facts for Investments*.

**GET THE ONLINE ADVANTAGE** All titles are available as a 12-month online subscription (except for *The Field Guide to Financial Planning*).

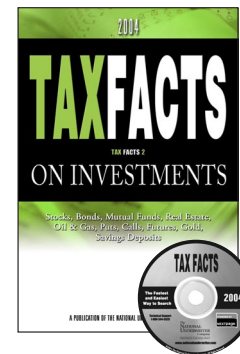

**FREQUENT UPDATES** – Tax law information is continuously updated.

**FREE ALERTS** – E-mail notices are sent directly to your computer every month.

**FAST ANSWERS** – Seek and secure the exact information you want through our Keyword Search and our new Intuitive Drilldown Search Menu.

**Accurate Information the Way You Need It**

All titles are available in Power Combo and book form.

## **TAX FACTS AT-A-GLANCE**

New for you, this detachable page offers a virtually complete list of key figures for the 2004 tax year. You will find updated capital gains rates, premium limits on long-term care insurance, student loan interest deductions and more. Look for your *Tax-Facts-at-a-Glance* in the 2004 *Tax Facts* titles.
