Superior Expertise To Answer All Your Questions

Social Security, Medicare, employment and retirement benefits questions? Give your clients immediate and exact answers with the industry's **best** resources the **2003 Social Security/Medicare Kit**, **2003 Benefits Facts** and **2003 ERISA Facts**. And now, you can access the information you need anytime, anywhere with our convenient CD-ROM versions.

2003 Social Security/Medicare Kit

The **2003 Social Security/Medicare Kit** is your solution to providing reliable expertise - day after day:

2003 Social Security Manual

Give your clients reliable, up-to-date answers on Social Security, survivor, and disability benefits with this comprehensive guide. You'll find in depth coverage of benefit programs for federal employees, service members and much more.

2003 All About Medicare

Answer any Medicare benefit question with this definitive guide. This resource covers Medicare+Choice, Medicaid, Medigap insurance, plus more.

2003 Social Security Slide-O-Scope & Planner

Perform instant benefit calculations and quickly access current and future Social Security benefits with this useful tool. The planner also includes helpful planning and benefits charts.

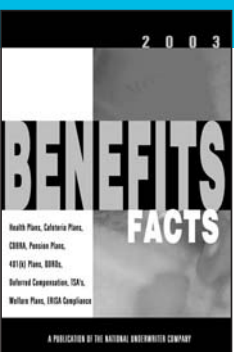

2003 Medicare Planner

This unique planning tool shows how much Medicare pays and how much a patient pays for inpatient and outpatient hospital care, nursing home care, hospice care, home health care, and doctors services.

2003 ERISA Facts

Former DOL investigators provide practical explanations on how to successfully maintain compliance with ERISA and Department of Labor regulations. You'll also discover the essentials of administrative requirements, disclosure provisions, and fiduciary duties and liabilities. Includes all relevant changes made through December 2002.

2003-2004 Benefits Facts

Derived from the expertise of **Tax Facts 1** and **ERISA Facts**, **Benefits Facts** allows you to give your clients quick, accurate answers and solve benefits problems. Presented in a simple question-and-answer format, this title provides detailed coverage of retirement benefits, welfare benefits, compensation, plan administration, and prohibited transactions and exemptions. And it's written by tax, DOL, insurance, and benefits experts to ensure you have the most reliable, up-to-date information available.
